LOVE THE SPACE YOU'RE IN

If you look at your space a year from now, what has to happen for you to think it is beautiful and comfortable?

Why not create a Styleprint® for the place you know you deserve?

I HATE IT: You walk into your space; it's not comfortable, functional or beautiful.

Check next to the areas that are unsatisfactory in your home and add others if needed.

I LOVE IT: You may have a place in your home that feels complete with pieces you love.

Put an X next to what you love about your space and add others if needed.
